THE STRAND COCKTAILS

FRENCH BALCONY

A French/ Swedish Negroni style cocktail where the elegant French spirit gets together with bitter herbs, all gathered from Sweden's biggest Island. The almond- infused aperitif brings these two worlds together in a smooth way.

Cognac, almond- infused Lillet, Gotlands bittar

THE CLOUDY CAPITAL

We have taken the gold from the north in a quest to preserve the unique flavor and color it offers. This cloudberry cocktail has a grand name simply because it's superb.

Dark Rum, Benedictine D.O.M., cloudberry syrup, lemon, Angostura

DOCK OF THE BAY

As you sit her at The Strand by the most famous bay in Stockholm this cocktail will make you take in and appreciate your surroundings even more. Hopefully you feel a little bit like Otis Redding did when he wrote one of his most famous songs...

Vodka, Dry Vermouth, agave syrup, Maraschino, lemon, Peychaud's

LAST PUNSCH

Punsch is a sweet arrak based Swedish spirit, typically enjoyed on Thursdays with the traditional soup and pancake lunch. This cocktail is made to highlight the punsch and make it enjoyable whenever you feel like having a stiff end stirred.

Swedish Punsch, Bourbon, Orange bitter, Angostura

GREEN BEE

Warm summer nights, the smell of freshly cut grass and buzzing bees. Take a sip and feel the breeze

Honey- and sorrel syrup, lime, Ginger beer

THE APPLE SNATCHER

Running barefoot thru your neighbor's yard snatching some apples from the trees and then run of into the meadow filled with sorrel, is quite a common thing to do for young people growing up on the Swedish country side. Enjoy the freshness of The Apple Snatcher.

Gin, apple, honey- and sorrel syrup, lime

SLOW LANE

A sour cocktail with a distinct cardamom taste, different but beautiful for the taste buds. Some instantly thinks of a cardamom bun when this creation hits their mouth. How about you?

Sloe gin, lemon, sugar, cardamom bitter

GRETA GARBO

A homage to one of the world's biggest movie stars in the 1920s and 1930s. She was a regular her at The Strand and of that we are very proud, so we celebrate her with a Swedish spirit that we are also proud of, Aquavit!

O.P Anderson Aquavit, apricot, peach, lemon, Peychaud's

FLIGHT TO TULUM

The bartender behind this cocktail got the assignment to create a Mexican style drink while using one Swedish flavor. His choice was cassis berries, and so he took his berries and flu to Tulum, Mexico. As a result, we can offer you this well balanced smash cocktail

Tequila, Cassis, chili- and agave syrup, ginger, lime

RAZZMARY

A mocktail with character inspired of our very own roof top garden, where we every spring and summer grow our own vegetables and herbs

Raspberry, rosemary, lemon, tonic

All cocktails 156/ Non alcoholic 98
We base all our cocktails on 5cl spirits
